THE REAL ARGENTINA

ARGENTO

• RESERVA •

At Bodega Argento we are very proud of Argentina's wine heritage and the unique terroir of Mendoza. We are dedicated to making wines that exemplify the hallmarks of our style: purity, vibrancy, elegance and the ultimate expression of terroir.

2017 CABERNET SAUVIGNON

Deep ruby in color, this Cabernet Sauvignon offers aromas of ripe plums, black cherries and cassia. Rich and full bodied, the black cherry fruit flavors are complemented by subtle notes of cloves and cacao from gentle oak aging which lead into a lingering finish with elegant structure.

ARGENTO RESERVA RANGE

Limited selection of fuller-bodied wines with a great concentration of fruit and complexity. The grapes used to make these wines come from our oldest vineyards in Mendoza, where productions are steadier. These grapes are exceptionally intense and expressive. These wines age in oak barrels, thus providing rich complex flavors on the palate and a soft mouth texture.

WINEMAKING

Stainless fermentation at 22-26°C for 7 days.

OAK: 30% of the blend aged in 85% French and 15% American oak for 6 months.

TA: 5.59g/L

pH: 3.8

RS: 4.1g/L

ALCOHOL: 14.6%
